Educational Goals

- 1.To educate students in civics and morality.
- 2.To educate students on cultural awareness and sensitivity.
- 3.To enrich the knowledge of students.
- 4.To develop the fundamental scholastic ability of students.
- 5.To develop the physical strength of students.
- 6.To develop a good work ethic in students.
- 7.To develop team spirit in students.
- 8.To inspire the artistic interest of students.

School History

- 1917 The Taiwan Governor's Office established the Tainan Girls' High School to recruit Japanese students.
- 1921 The Tainan Prefecture Tainan Girls' General High School was established to recruit Taiwanese students.
- 1922 The name of the Tainan Girls' High School was changed to the Tainan Prefecture Tainan First Girls' High School; the Tainan Prefecture Tainan Girls' General High School was changed to the Tainan Prefecture Tainan Second Girls' High School.
- 1945 The name of the Tainan Prefecture Tainan First Girls' High School was changed to the Taiwan Provincial Tainan Second Girls' High School; the Tainan Prefecture Tainan Second Girls' High School was changed to the Taiwan Provincial Tainan First Girls' High School.
- 1947 Both school merged and became the Taiwan Provincial Tainan Girls' High School offering a six-year high school program.
- 1961 The junior high school section was shut down according to the “provincial government for senior high schools and county government for junior high schools” policy.
- 1970 The name of the school was changed to the Taiwan Provincial Tainan Girls' Senior High School.
- 1971 Opened the open subsidiary school with a three-year program for general senior high school. The open subsidiary school was shut down in 1975.
- 1979 The Senior Student System was established and has since become an excellent TNGS tradition.
- 1984 Opened the Special Class for Music (also recruits boys).
- 1987 Opened the Special Class for Mathematics and Science.
- 2000 The name of the school was changed to National Tainan Girls' Senior High School under the central government after a government restructuring in Taiwan.
- 2004 Opened the Special Class for English.
- 2009 The Special Class for English was transformed into the Social Studies Class.

Curriculum Planning

Regular Class (48 classes, each 42 students)

- ⚠ Teaching Excellence Program and Grade 12 Revision Program are planned and designed to provide students advanced learning and guidance for further studies.
- ⚠ Tutors are arranged in the evening to help students solve academic problems.

Special Class for Math and Science (3 classes, each 30 students)

- ⚠ The aim of the math and science gifted class is to develop the abilities of students gifted in mathematics and natural sciences and prepare them for scholastic ability competitions and the International Mathematics Olympiad.
- ⚠ With the focus on mathematics and science seminars and thematic independent research, the math and science gifted class provides advanced education for fundamental subjects to help students reach their self-potential.
- ⚠ In addition to collaborative teaching with universities for various research projects, the math and science gifted class enrolls Fundamental Talent Cultivation Program for Senior High School Students.

Special Class for English (transformed into the Social Studies Class since 2009) (3 classes, each 30 students)

- ⚠ Aiming to cultivate the language ability of students gifted in English, the English gifted class provides students the opportunity to read selected English novels and English speech training; it employs foreign teachers to enhance language learning efficacy.
- ⚠ The Introduction to Social Studies and Social Studies Classics Reading courses are planned and designed to develop the humanities literacy of students.

The English Class of the Social Studies Class

Special Class for Music (3 classes, each 30 students)

- ⚠ In order to foster students gifted in music, master classes are organized at times.
- ⚠ Musicians holding a master's degree or higher degree are hired to give individual lessons to students in order to sharpen their techniques.
- ⚠ Student concerts, graduation concerts and inter-school concerts are held regularly to provide students practical and learning opportunities.

The Ensemble Class of the musical class

Laboratory class for the math and science class

Excellent and comprehensive master classes for the music class

Faculty and Facility

- ❖ TNGS has a strong faculty with over 50% of members holding a master's degree or higher.
- ❖ Counseling training courses are organized for teachers to improve their counseling competence and thereby help students grow and develop.
- ❖ TNGS equips all classrooms with computers, large-screen LCD TVs and electric screens to facilitate multimedia-assisted instruction.
- ❖ TNGS has well-equipped computer and optoelectronic laboratories and other facilities, including professional microscopes used in observatories and research institutions.
- ❖ There are 36 practice rooms equipped pianos, a concert hall and a wide range of musical instruments for the music gifted class.
- ❖ The multimedia IT center is equipped with a digital TV editing system and plotter for producing digital movies.
- ❖ TNGS has well-equipped subject classrooms to meet the special needs of each subject.

Novel individual learning area for resource classes

Well-lit and quiet study center

Well-equipped science laboratory

Practice rooms in the music class building

Modern home economics classroom

Student Achievements

- ❖ Good performance in the scholastic ability contest for mathematics, informatics and natural sciences, and the International Olympiad for natural sciences.
- ❖ Excellent performance in the National Primary and High School Science Fair, MXIC Science Awards, Taiwan International Science Fair and Competition and the National Student Mechanics Competition.
- ❖ Excellent performance in the Tainan City Mandarin Competition and various sports competitions, proving that TNGS students are both scholastic and athletic.
- ❖ The orchestra of the music gifted class has won distinction in various musical contests, including orchestra and chamber music.

Outstanding performance at the Tainan City Primary and High School Athletic Meet

First Prize from the National Primary and High School Science Fair

TNGS Volleyball Team won numerous prizes across Taiwan

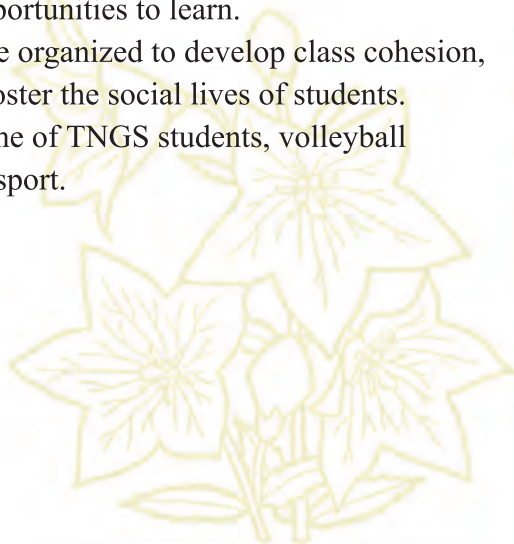

Big winner of the Tainan City Mandarin Competition

TNGS Orchestra won numerous prizes in music competitions

- △ Celebrated writers, masters and performing groups are invited to give performances on campus to enrich student life at TNGS.
- △ TNGS organizes the Catcher Technology Cup Volleyball Invitation Competition to broaden the horizons of students and provide students more opportunities to learn.
- △ Interclass competitions are organized to develop class cohesion, promote team spirit and foster the social lives of students.
- △ As the most loved ballgame of TNGS students, volleyball deserves to be the school sport.

Dedicated performance of students and teachers at the biennial school anniversary fair

Candidates presented their views at the student union chairperson campaign

Wonderful costumed parade at the opening ceremony of the school athletic meet

Volleyball is a required course of TNGS

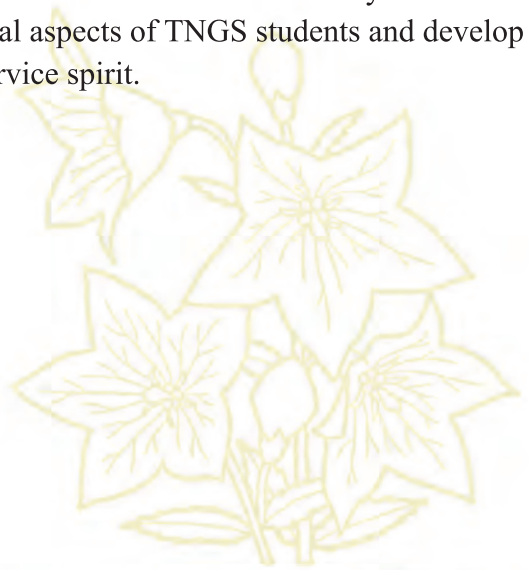

TNGS is on the go

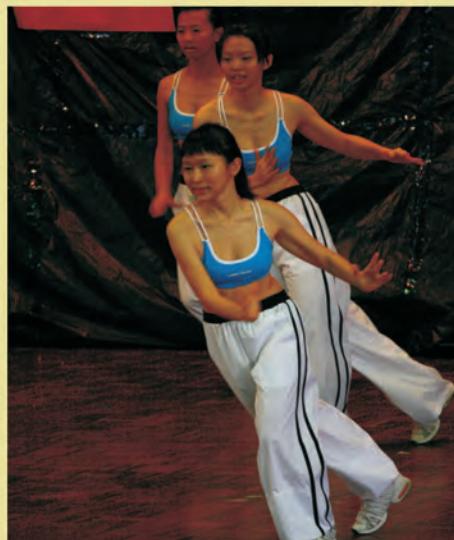

Student Club Activities

- ❖ TNGS has 54 student clubs, including academic, artistic, community service, recreational, skill development and sports groups, which enrich the lives of TNGS students.
- ❖ The diverse student club activities can effectively balance the physical and spiritual aspects of TNGS students and develop their community service spirit.

Tae Kwon Do Club

Aerobic Dance Club

Kendo Club

Winds Club

Cosplay Club

International Exchange

Japanese Educational Trip:

TNGS organizes educational exchanges with Japanese high schools every year to broaden the international horizons and develop awareness of other cultures.

Summer and Winter Overseas Educational Trip:

TNGS arranges English learning tours to the UK and the USA for students during summer and winter breaks to enhance what they have learned in class.

Overseas Study Activities:

TNGS organizes overseas study activities for TNGS students to study with students from other countries in order to increase awareness of other cultures.

Foreign Visits and Student Exchange Program:

Foreign visits and student exchanges are arranged for students to connect them with the world and to help them develop international competitiveness.

Overseas study groups for summer break

Principals of French high schools visited TNGS

New Zealand study trip

Miyoshi High School of Hiroshima County, Japan, visited TNGS

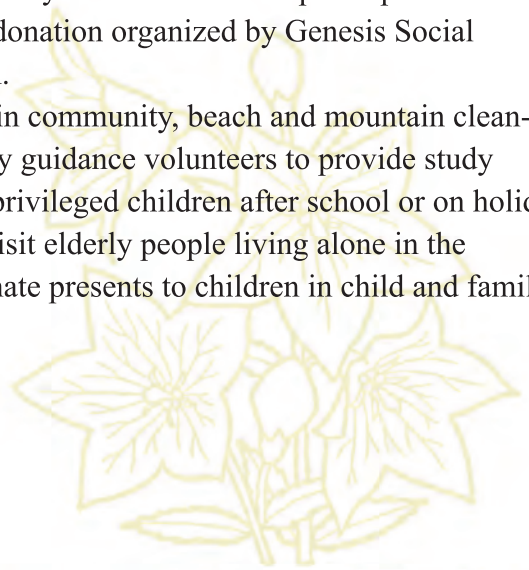

Learning about other cultures from the Japanese educational trip

Volunteer Activities

- ☞ The Taiwanese Cultural Team of TNGS participates in exploration of and volunteer work in Aboriginal communities regularly.
- ☞ TNGS organizes charity sales at times and participates in the uniformed invoice donation organized by Genesis Social Welfare Foundation.
- ☞ TNGS participates in community, beach and mountain clean-ups.
- ☞ TNGS recruits study guidance volunteers to provide study guidance for underprivileged children after school or on holidays.
- ☞ TNGS volunteers visit elderly people living alone in the community and donate presents to children in child and family care centers.

Student Wan-shu Tian won the National Prudential Youth Volunteer Elite Award

TNGS volunteers visited elderly citizens living alone in the community

Students gave vouchers to children from "Tainan center for children and families"

Taiwanese Cultural Team explored Aboriginal life

Students joined community clean-ups

- ❖ Orientation guidance is provided for new students to help them adjust to senior high school life.
- ❖ The alumni feedback system is implemented for graduates to provide fellow students with substitute experience and help them solve misconceptions and misunderstandings in study.
- ❖ The advance graduation scheme is planned and designed for gifted students with outstanding academic performance in order to let them enter university earlier. Results have been positive.
- ❖ Students with excellent performance in particular subjects are encouraged to apply for credit exemption and develop diverse interests.
- ❖ TNGS launches a volunteer program with the NCKU to provide study guidance for students.
- ❖ TNGS provides grants and loans inside and outside of school to help students from low income families finish school and encourage students who perform well.
- ❖ TNGS organizes parent-teacher seminars for teachers to understand more about their students in order to help and educate them.

Teacher-parent seminars were held to express concern for student life

Group counseling and career exploration

Grants and loans for helping students from low-income families and students with outstanding achievements

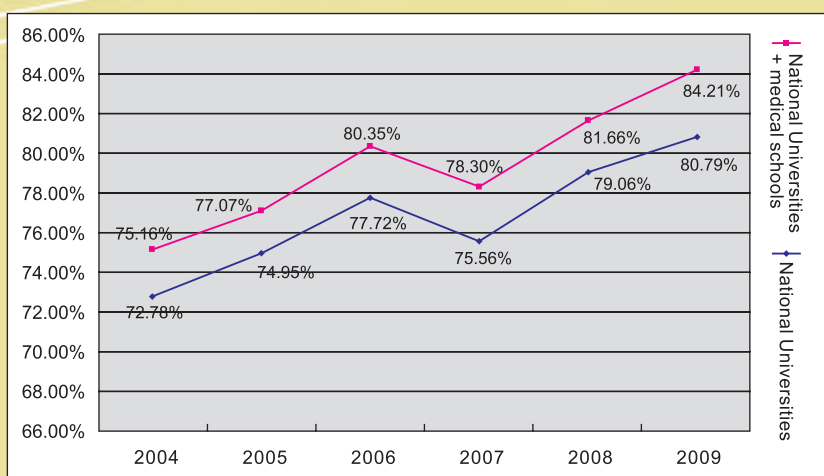

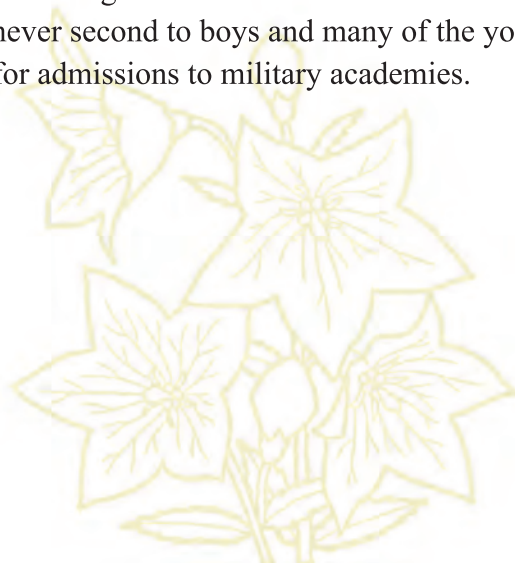

Individual counseling for individual students is available at any time

Student Promotion

- 🔴 TNGS students have distinguished academic achievements and many of them have successfully entered national universities.
- 🔴 Many TNGS students apply for study at overseas universities to experience different learning environments.
- 🔴 At TNGS girls are never second to boys and many of the young women here apply for admissions to military academies.

The Tally of Graduating Students Admitted to Prestigious National Universities in Percentages and Number of Students						
Admissions to national universities in percentages and number of students	2004	2005	2006	2007	2008	2009
National universities	72.78%	74.95%	77.72%	75.56%	79.06%	80.79%
National universities and colleges of medicine	75.16%	77.07%	80.35%	78.30%	81.66%	84.21%
National Taiwan University (NTU)	44	46	63	63	56	69
National Cheng Kung University (NCKU)	68	107	97	91	95	107
National Tsing Hua University (NTHU)	24	27	22	11	16	14
National Chiao Tung University (NCTU)	17	6	8	11	10	21
National Chengchi University (NCCU)	34	45	37	53	52	54
NTU, NCKU, NTHU, NCTU, NCCU	187	231	227	229	229	265
Weighting of NTU, NCKU, NTHU, NCTU, NCCU	23.35%	28.95%	28.41%	28.55%	29.73%	34.87%

Students Shao-han Wang and Pei-shan Shieh obtained full scores on the 2010 General Scholastic Ability Test.

Students studied in the USA after graduation

Love Support Systems

- ❖ **PTA:** The PTA supports school development and helps TNGS promote various school affairs.
- ❖ **Volunteer Team:** Organized by students' parents, the team is dedicated, expresses concern for the lives of boarding students, participates in school greening and beautification work and accompanies students studying at night.
- ❖ **Alumni Association:** Since TNGS was established over nine decades ago, there are countless alumni. They express concern for TNGS and grow together with their alma mater.
- ❖ **Community, Borough and Neighborhood Offices:** As friendly neighbors of TNGS, these local offices offer various scholarships to encourage students with outstanding achievements.

Alumnae returned to TNGS to show their eternal support for their alma mater.

Volunteer team, organized by students' parents, adds warmth to the campus.

Volunteer team, organized by students' parents, expresses concern for boarding students.

Volunteer team, organized by students' parents, treats students like their own children.

The PTA supports TNGS
